One-Time and Ongoing Proposition 98 Package—

Language Issues

June 1, 2006

Issue	Assembly	Senate
One-time Proposition 98 (page 197)		
Discretionary Grants	Provides per-ADA grants to school sites for one-time expenditures, such as arts and physical education equipment, classroom and laboratory equipment and supplies, instructional materials, and planning and implementation for small schools.	Provides per ADA grants to districts for one-time school site expenditures, such as deferred maintenance, music and arts, physical education, libraries, and classroom supplies. Districts and schools must document how they spend these one-time funds.
Ongoing Proposition 98 (Page 198)		
Equalization-Revenue Limits	Funds are for a “new” equalization formula.	Governor’s proposed language which equalizes current base revenue limits.
Economic Impact Aid	No specific language adopted.	No specific language adopted.
Special Education Base Increase	General per pupil increase distributed on a one-time basis, to leave available for alternative disability adjustment in 2007-08.	General augmentation for undefined purpose.
CAHSEE—Supplemental Instruction	\$600 for each 12th grader. Remainder distributed for each eligible 11th grader.	\$500 for each 12th grader. Remainder distributed for each eligible 11th grader.
CAHSEE—Additional Test administrations	Three additional administrations.	Two additional administrations.
School meal reimbursement increase	No language.	Increased reimbursement rate by \$.07 per breakfast or lunch.
Oral health assessments	Funding is contingent on the budget providing at least \$5 million on the health side to provide oral health services to poor children.	Adopted May Revision with removal of language requiring separate legislation.
